Siri:

In response to the Office Action mailed August 24, 2000, and the Advisory Action mailed December 4, 2000, please amend the above-identified application as follows:

IN THE CLAIMS

Please amend the claims as follows:

1. (Amended) A method for providing [an] a point of sale environment for developing an application on a development system independently of a point of sale system, the application for use with point of sale equipment having a device, the application capable of utilizing the device when the application is executed on the point of sale equipment, the method comprising the steps of:

(a) providing an emulation module corresponding to the device; and
